### Day by Day Overview

**Saturday, June 11** – We will meet at a downtown hotel (tbd) in Belfast. We then drive north to Fair Head and Murlough Bay where we will meet our guide, Paul Quinn, for a hike of around 4 miles. In the afternoon we will hike the Carrick a Rede Rope Bridge - a National Trust site ([www.nationaltrust.org.uk/carrick-a-rede](http://www.nationaltrust.org.uk/carrick-a-rede)). The bridge is about 65 feet long and 100 feet high and connects the mainland to the tiny island of Carrickarede. The trail total is 1.5 miles return from the ticket office to the island. Then we will gather again to hike along the Causeway Coast path and we approach Ballintoy Harbour from the eastern side. After the hike we will drive west to the Royal Court Hotel, our hotel for the week, on the coast near the village of Portrush: <https://royalcourthotel.co.uk/>. Hiking Distance 6.5 miles, Elevation gain 500 ft. Total Drive Time 2 hours.

- Picnic lunch
- Dinner together at our hotel.

**Sunday, June 12** – We will drive to Portballintrae. The Antrim Coast path is widely considered one of the best coast walks in Europe. We begin by crossing the River Bush at Bushfoot Beach. Incorporated in this day of hiking is the World Heritage site of the Giant’s Causeway. The landscape around the coast here is breath taking, with unparalleled views of the Atlantic Ocean from the cliff path, and fine views to Scotland and the Scottish Islands of Islay and Jura. Closer in is Rathlin Island, Northern Ireland’s only inhabited offshore island. This is a linear hike: you will be collected in the bus at the end of the hike at the harbour at Dunseverick. Hiking Distance 7 miles, elevation gain 300 ft. Total Drive Time 40 mins.

- Packed Lunch
- Dinner together

**Monday, June 13** - Today we pick up where we left off at Dunseverick Castle and hike on to Ballintoy harbour. We will have clearer views today of Rathlin Island. Leaving Dunseverick Harbour we will hike through the tiny village of Portbraddan (the Port of the Salmon). The route follows the sweeping sand beach of White Park Bay, then around a headland of jumbled rocks and sea stacks to the very scenic harbour of Ballintoy - a hidden gem with a small beach. If you need refreshment, Roark's cafe is right there at the beach. In recent times, the harbour has been used as a location for the TV series Game of Thrones. Hiking Distance 5 miles. Elev gain 180 ft. Total Drive Time 40 mins.

- Packed lunch
- Dinner together--our hotel

**Tuesday, June 14** - Today is officially a "free day". An interesting option for this day is to visit the Bushmills Distillery ([www.bushmills.com/distillery](http://www.bushmills.com/distillery)) in Bushmills. There is also a cafe at the Distillery if you wish to have lunch. Otherwise, there are a couple of cafes in Bushmills village itself.

- Lunch & Dinner on your own

**Wednesday, June 15** - We will drive to Ballycastle to take the morning ferry (45 mins ferry journey) out to Rathlin Island (population 150). <https://rathlinballycastleferry.com>. Our guide will take us out around the bay and along the kelp factory heading south towards Rue Point Lighthouse. We head out from the main village of Rathlin passing seal colonies on the way and taking cliff paths and inland paths. We will enjoy great views looking back to the mainland and the coast of the Mull of Kintyre in Scotland 11 miles away. Hiking Distance 6 miles. Elev gain 500 ft. Total Drive Time 1 hour.

- Packed lunch
- Dinner on your own

**Thursday, June 16** - We drive east to hike at the Glens of Antrim at Glenarriff Forest Park (a 2928 acre forest in County Antrim). There are nine glens (valleys) in Antrim, and Glenarriff is known as the "Queen of the Glens". Part of the hike today will feature the Scenic Trail. The rest of the hike takes you down the Inver River gorge in mature woodland. Once you cross the river at the bottom of the trail, there is a winding climb from about 60 meters elevation to 260 meters. From this point there are views of the Glens and of the Mull of Kintyre across the sea in Scotland. Finally you trek across moorland returning with spectacular views down the Glen to the coast beyond. Hiking Distance 8.5 miles, elevation gain 800 ft. Total Drive Time 2 hours.

- Packed lunch
- Dinner together

**Friday, June 17** - Our first stop this morning will be at Dunluce Castle, just a mile from the hotel. This castle was occupied by the McDonnell clan and ruined in 1639 when the kitchen and all its staff fell into the sea. The remains are at a magnificent location on the edge of a cliff. After the visit to Dunluce we head over to Limavady for a 7 mile hike at Roe Valley Country Park: a route along the banks of the River Roe through woodland. Our walk will be circular, going first to a quaint and lonely church still in use. We keep the River Roe in sight for most of this walk. Hiking Distance 7 miles, elevation gain 300 ft. Total Drive Time 2 hours.

- Packed lunch
- Farewell Dinner at our hotel.

**Saturday, June 18** - After breakfast we will drive 60 miles to Belfast to arrive there by 10:00AM.
